click on Attendee Registration,  
and enter invitation code **24EXH**

“When you go to the NECA convention and trade show, you always learn something new. When I leave there, I always take something from the speakers and exhibitors that I can’t wait to tell my team about. It’s so encouraging because you’ll see other businesses doing something that you’ve always thought about trying.” —*Jesse Mikec, Lighthouse Electric*

**Sun 9/29**
